PRODUCT APPROVALS

All plans submitted for plan review must include information meeting the requirements of Florida Statutes 553.842, and Florida Administrative Code 9B-72 for eight product groups:

Windows
Skylights

Exterior Doors
Panel Walls

Shutters
Roofing

Structural Components
New Building Envelope Products
(affecting structural integrity of building)

Florida product approval numbers may be obtained from suppliers or by visiting the Department of Community Affairs' Florida Building Code website at www.floridabuilding.org. Use the Product Approval link to search for current approved products.
